Young people must learn that God has promised to always be with them and elderly people need to be remembered more and more often. (Not because older people are particularly damaged, but because it can be a very scary moment of life) we find it works well in the congregational song. The call and eco part of the verses works well with alternating men and women. Singing as a group as a testimony above our little ones can be very moving. When the Lord of the universe is on our side, we must not be afraid (credit: Nick Webb via flickr) one of my favorite songs of all the church is a strong being and courageous & from Colin Buchanan. It is one of those rare songs that can mix simplicity with meaning profoundness, and brings people of all ages together in a powerful hymn that leads us to grow our trust in the Lord. The context of the song is the famous way that has been told by the Lord to Joshua over time before he was to bring people with courage to enjoy the people towards the promised land. We now know that history ends with victory, but for people when we were expected that there was true fear in everyone's hearts. To get worse things, their mosa-mosa-master leader, and the new leader Joshua needed to stand up and lead through a difficult time. With all this in mind, God speaks kindly directly to Joshua, saying these words: be strong and brave, because you are the one who will bring these people to possess all the earth I swore to their fathers would like to give them. Be strong and very brave. Be careful to comply with all the Moses instructions gave you. [A] This is my Command to be strong and brave! Don't be afraid or discouraged. As the Eternal, your God is with you wherever you go. (Giosuà 1: 6-9) when it seems difficult to obey good word enjoy s to us, we can take these words comforting to heart: & be strong and courageous & | Don't be afraid or discouraged &. When the real sord of the universe is on our side, we must not be afraid to follow the domain of him on Love screw, although to do it seems scary. We must be strong and very brave, because the Lord is with us. (Feat.
